

NEURO NIGHT ESSENTIALS

ARE SLEEPLESS NIGHTS AFFECTING YOUR LIFE?

Sleep is the body's way of metabolically and psychologically resetting itself. In order to maintain restorative sleep, it is crucial that the brain has optimal levels of serotonin and gamma-amino butyric acid (GABA), the relaxing and sleep-regulating neurotransmitters, as well as the sleep-regulating hormone melatonin.

This formula combines 7 ingredients that may assist with:

- Occasional Sleeplessness*
- Calmness and Relaxation*
- Normal, Uninterrupted Sleep*
- Neurotransmitter Support*

RELAX • REST • REVITALIZE

NEURO BIOLOGIX

Professional Grade Supplements

EXCLUSIVE FORMULA

Neuro Night Essentials™, designed by our advising physicians, was created for people experiencing occasional sleeplessness. Neuro Night Essentials promotes a healthy sleep cycle by naturally boosting levels of serotonin, GABA and melatonin using a combination of bioactive cofactors and amino acids.*
